Originally a working-class neighbourhood in Amsterdam, the Jordaan has become one of the most upscale locations in the Netherlands. It is home to many art galleries, shops and restaurants but has kept its authenticity. The Jordaan has a high concentration of 'hofjes' (inner courtyards), many of them with restored houses and peaceful gardens. During the tour you will get to know this picturesque, historical area and visit the hidden inner courtyards.

 Not including: Lunch, return transportation to hotel
 Duration: 10.00 – 12.30 hrs

2. Friday - Traditional Holland

This tour will show you a different side of Holland. After the busy city of Amsterdam, the bus will take you to the beautiful calm countryside. You will visit the traditional town of Volendam, after which the trip continues to Zaandam. Zaandam is well known for its traditional green coloured houses. During the bus ride you can enjoy the great views of the typical Dutch greenhouses, bulb fields, windmills and polders.

Including: Tourguide, transport by private bus, visit of Volendam and Zaandam. The tour begins and ends at Novotel Amsterdam City.
 Not including: Lunch or dinner
 Duration: 13.00 – 17.30 hrs

3. Saturday - Artis Zoo and Canal Cruise with open bar

Set in a large park, the Artis Royal Zoo is one of the best kept secrets of Amsterdam. It is located right in the city centre. Founded in 1838, it was the first zoo in the Netherlands and with its gardens, museums and library it soon became a vibrant centre of social life. You will visit the zoo with a guide and there will be time to explore the zoo on your own.
